**About the Green Beret Foundation:** Founded in 2009, the Green Beret Foundation provides Special Forces Soldiers and their families with emergency, immediate, and ongoing support. We have assisted nearly 13,000 families since our inception in October 2009 and continue to provide programs and services in support of the community on a daily basis. Since our inception, we've invested 87%, or 87 cents of every dollar, into our programs and services, which has totaled to over \$15 million that has directly supported the Regiment and its families. GBF is the only non-profit solely dedicated to supporting Green Berets and their families that has achieved a 4-Star Rating with Charity Navigator. Also, GBF is the sole special operations benevolent organization that is accredited by the Department of Veterans Affairs for the purpose of preparation, presentation, and prosecution of disability claims.
