**Keller, Texas – March 2023**

The SSG Alex Viola Foundation will donate a total of \$100,000 to the Green Beret Foundation and the Special Operations Warrior Foundation in a 10am presentation March 9, at the Keller City Town Hall. Among those expected to attend will be Frances Arias, Interim Executive Director of the Green Beret Foundation and COL (Ret) Sean Corrigan, Executive Vice President of Special Operations Warrior Foundation.

*"The Viola family and the SSG Alex Viola Foundation have selflessly supported Special Operations Warrior Foundation (SOWF) and the families our organization serves for many years. Their on-going efforts honor the service and sacrifice that their son, Alex, exemplified, as well as the sacrifice of all fallen SOF Warriors by ensuring surviving children of Special Operations Forces are provided with full educational opportunities, "cradle to career" (preschool – college). SOWF, and our families, are grateful for all that they have done for us," commented COL (Ret) Sean Corrigan, Executive Vice President of Special Operations Warrior Foundation.*

**About the Special Operations Warrior Foundation**

The Special Operations Warrior Foundation (SOWF) began in 1980 after the daring attempt to rescue 53 American hostages in Iran, which ended in tragedy when a helicopter and C-130 aircraft collided. Eight souls were lost and they left behind 17 children. A battlefield promise to take care of those 17 children has become the noble cause of the Special Operations Warrior Foundation. The Special Operations Warrior Foundation ensures full financial assistance for a post-secondary degree from an accredited two or four-year college, university, technical or trade school, as well as family and educational counseling, including in-home tutoring, to the surviving children of Army, Navy, Air Force and Marine Corps special operations personnel who lose their lives in the line of duty. The foundation also provides immediate financial assistance to severely wounded and hospitalized special operations personnel. The Special Operations Warrior Foundation has provided scholarship grants, to over 1,000 children, who survive over 900 Special Operations personnel who gave their lives in service to our country.
